Patio Tube

The greatest thing about living in Australia is our OUTDOOR LIFESTYLE. At home we just love using our outside living areas for getting together with family and friends or for kids to play. Midalia Steel carries the full range of patio tube, and in particular Tubecolor® for those who want the latest in Colorbond® colours; and galvanised for those who prefer to do their own powder coating. The choice is yours.

We offer a range of sizes to suit most of your needs such as:

-64mm x 38mm x 1.6mm in 6.1m, or 7.32m lengths.

-76 x 38 x 1.6 in 6.1m, 7.32m, 8.0m lengths.

Need 'bits & pieces'? We have them too! – patio clips, plastic plugs, rafter bolts, Tek® screws, touch up paint etc. So if you plan to build a domestic patio, a carport, or outdoor furniture and play equipment, get your supplies from MIDALIA STEEL we have a branch conveniently located near YOU.

Tubecolor®

Tubecolor® is a complete coating system that incorporates the beauty and durability of an external powder coating with the strength and longevity of galvanised steel.

Tubecolor® uses only high quality polyester coatings within the powder coating system which resists fading, chipping, peeling or cracking.

7 YEAR WARRANTY

Only tubecolor® provides the assurance that your domestic patio, carport, outdoor furniture and play equipment will still look as good after 7 YEARS as the day it was installed.

Only TUBECOLOR® warrants against perforation, flaking and peeling.

Tubecolor® comes in a range of attractive colours to blend and Harmonise perfectly with the texture of brick and timber of Aussie homes.
