

SMARTSLAT

PRODUCT INFORMATION

Smartslat - Smart Idea!

Looking for something to add good looking style and a quality finish to your home, then SMARTSLAT is what you will want to use.

It is ideal for those who are handy in DIY land - make your own gates, fencing, garden partitioning / screens, sunshades, eaves, fascia – and you can FILL IN THAT CARPORT side of yours and protect your vehicle and home from unwanted attention, AND MAKE IT LOOK GREAT! – There are unlimited uses for SMARTSLAT!

How it works

2 piece length.

1st length is attached with self-drilling screws

2nd part then clips over the top – hiding all the screws
